Principal: Mr. Damon Holmes

You Thought You Knew Shabazz?

THINK AGAIN!

To The Class of 2016:

I consider it a blessing to have had the opportunity to serve as your Principal during your final year of high school. It is with tremendous pride and pleasure that I wish each member of the class of 2016 heartfelt congratulations! As you reflect on your years at Shabazz which include your accomplishments and set backs, please remember that you can not have one without the other. Our setbacks give us an opportunity to learn and improve our work towards our dreams. It is only through setbacks that we gain strength and resolve which are both necessary to accomplish our dreams. EVERY great dream begins with a dreamer. Always keep in mind that you have within you the strength, patience, and passion to reach for the stars to change the world.

As you transition to the next chapter in your lives you will inevitably have new triumphs and troubles. When things become difficult and you feel lost, it will be in those moments that you will need to turn to your faith and the lessons learned here at Shabazz which will serve as primers for the rest of your lives. As a member of the Malcolm X. Shabazz alumni family you will never be alone. As you grow, succeed and navigate through life, remember that at the foundation of your success is the love and support of the Malcolm X. Shabazz family (Bulldogs for life!). It has been an honor to be your Principal.

With "Bulldog" Pride,

Mr. Holmes

Congratulations Class of 2016! You have accomplished what so many have said you could not, but that is only one milestone in the long journey ahead. You all have taught me so much about life, perseverance, teaching, and learning, and I can only hope that I have inspired you as well. Though you complained, moaned, cried, and screamed, you are here, not by mistake, but because you have a positive destiny to fulfill.

As you embark on the next phase of your life, remember the things that you have learned as a Bulldog. Never forget where you came from, but most importantly, where you are going. The future is there for those willing to stand up and take what they deserve. And you all deserve so much, but you have to believe that or these words mean nothing. There will be setbacks, and the path will not always be smooth, but do not let that discourage you from accomplishing your dreams, because you are capable of achieving anything you set your mind to. Always remember to have a plan A, B, and C, and when you run out of letters, have plan 1, 2, and 3. You know I am always here to listen and give some (sarcastic) advice and tough love.

I look forward to hearing nothing but great things from you guys in the future. Congratulations Class of 2016, and may all of your dreams come true.

Love,

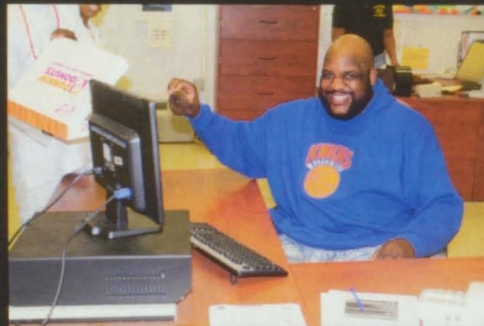

Jamillah Lawson

First, CONGRATULATIONS! Now that you have made it here, not even the sky is a limit! All of you have something very special in common; you have achieved what many people from our city could not. You have survived and overcome your own circumstances to get here. You have proven that you have what it takes to survive and succeed ANYWHERE. The world is at your feet when you lead with the power of your brain. Continue to learn and grow as you discover the new things that are to come. Learn from your mistakes and experiences, as they will be your best teachers. Expect to stumble and even fall, but ALWAYS get back up. Live humbly and respect yourselves, your communities, and others. Never burn your bridges. Be a champion for your own success by constantly reinventing yourself and pushing through barriers, obstacles, and seemingly dead ends. Remember to "pay it forward", share your successes and your strengths with others and ask them to do the same. Make a difference by being known and respected for your positive contributions to humanity. Most importantly, remember that happiness is a choice. Do not allow others to dictate your emotions. I LOVE YOU ALL SO MUCH AND WISH YOU ALL THE GOOD FORTUNE ON YOUR INDIVIDUAL PATHS INTO ADULthood!

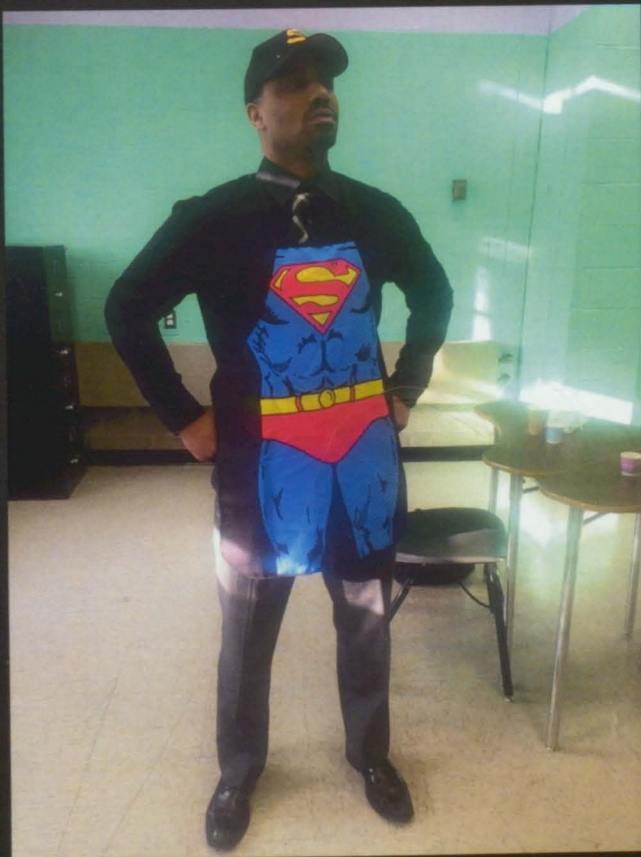

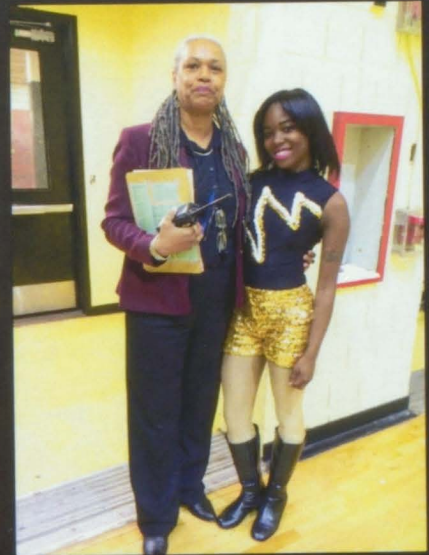

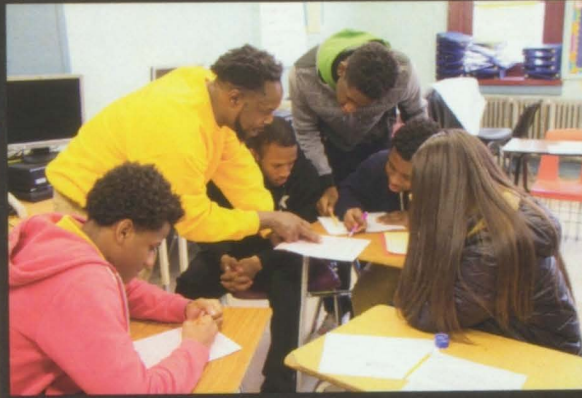

Love,

Grandma Woodson

INSIDE AND OUTSIDE THE CLASSROOM

CLASS OF 2016

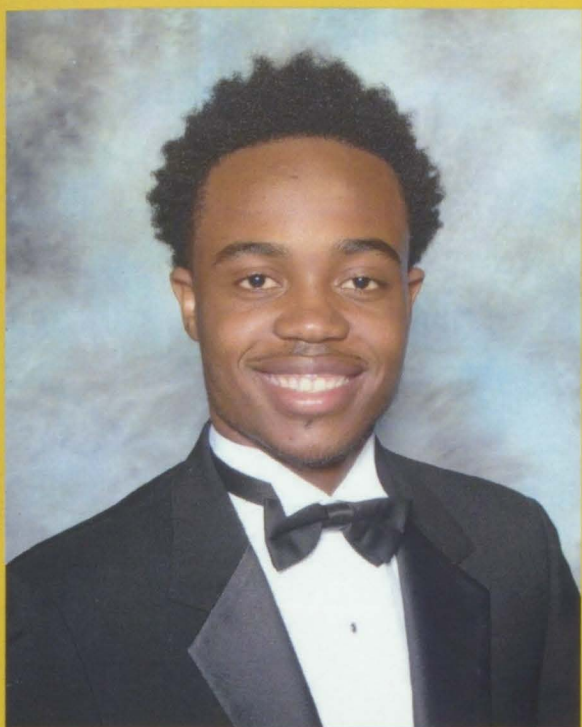

"How I came to be Valedictorian, I have no idea. But nonetheless, I am grateful for this recognition and for the support I received from my family, friends, and teachers throughout the years. I think it's safe to say that senior year has been my greatest year.

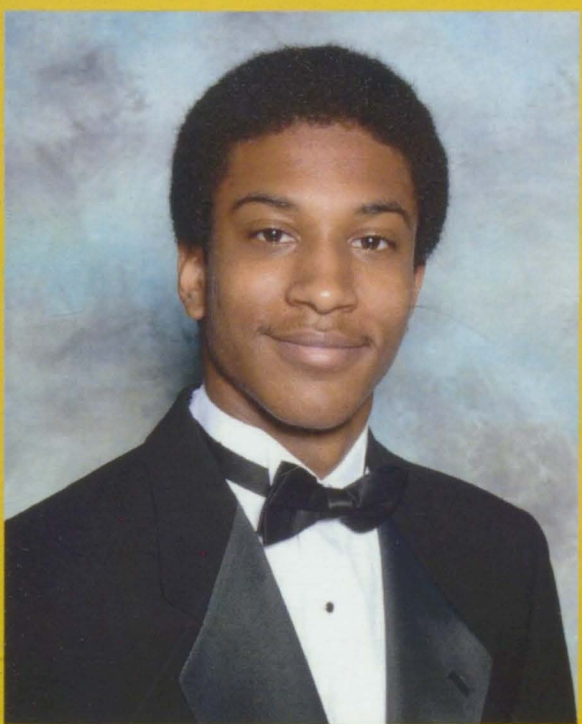

P.S. Don't pay any attention to my picture above. Appreciate it."

Aameena Corney

"I would like to thank God for even putting me in a position like this. The three years I've spent at Shabazz, there were lessons learned, laughs shared, and love shown. The faculty and staff were willing to give up their time to help me on a everyday basis. If you seek help, you will get more than enough. My experience at Shabazz has been the most interesting part of my life."

Clervens Clerjuste

"Be who you are and say what you feel, because those who mind don't matter and those who matter don't mind."

- Dr. Seuss

Forever test yourself. Be open minded to even the worst opinions and see both sides of the story.
